Uniform

Guess the profession

Why do we have to have a uniform?

- Lots of people at work wear a uniform. You are at work.
- Helps us keep you safe - we know who should be in our school and who shouldn't.
- Reduces pressure on you to keep up with fashions - Some people don't want to, some families can't afford to.
- Nobody stands out as being different.
- A lot of it is practical / appropriate for what you do in school.
- A sense of identity -we all belong - how many of you choose to wear your football team's shirt?
- We all look smart!

Brookvale Groby Uniform

At Brookvale Groby we pride ourselves on our smart and professional uniform. It is what unites us and sets us apart as outstanding students ready to succeed.

We do not tolerate any non-compliance with our uniform policy so that it is fair and consistent for every single student.

Our uniform

Consequences

Should your uniform fall short of Brookvale Groby's standards you will be told to improve it.

If it continues to fall short then you will be given a Standards Detention (Pink Slip) until it improves or sanctions such as detentions are put in place.

**What do you expect a teacher to do
for your lesson?**

**Prepared, planned, resources and
worksheets etc**

**Shouldn't we expect the same from
you as students?**

Equipment

Fail to prepare = prepare to fail!!

Why is it important to make sure you have the correct equipment when you attempt a job or task?

Can you think of any jobs where not having the correct equipment might be quite serious?

What you need...

A pencil case

A black pen

A purple pen

Pencil

30 cm Ruler

Rubber

Calculator

A reading book

A bag large enough to carry an A4 folder

You are expected to come to every lesson ready to learn and be able to engage in every potential activity.

If you arrive without an essential piece of equipment then you will be given a Standards Detention (Pink Slip).

Break and lunchtime Expectations

- You can only use the two Brookvale Canteens.
- The Brookvale tennis courts are set aside for Year 7 only in the early days of term.
- Other outside areas of the campus are open to all students at break and lunchtime.
- Any games that result in physical contact are not permitted, eg take downs, benching, tie jacking etc. A sanction will be given.
- Once the field is closed via a bulletin notice it remains out of bounds until another notice is given.

Wet break and lunchtimes

- We rarely declare a wet breaktime - the canteens and library are open everyday if you want to stay inside.
- A wet lunch is notified by 6 bells ringing. Additional indoor spaces will be opened (you will be told on the day) but you are not allowed to stand on corridors or in drops. You must be in the BV building even if you have a tutor room in Groby building.

Use of buses

This applies to any bus you use - Our school buses, Arriva buses, buses used on school trips.

- We have high expectations of your behaviour.
- Stay in your seat with a belt on, if provided.
- Have your bus pass for all journeys. Never lend it to someone else.
- Don't leave litter.
- Don't throw any objects inside the bus or out of a window.
- Talk quietly to your friends. Don't shout down a bus to anyone. Name calling and bullying will result in you losing your place on a bus or future trips.
- Never video other students, drivers or members of the public while on a bus.
