Dear Parents/Carers and Year 11 Students

Exam Results

We are very aware of the huge anxiety surrounding GCSE results given the media frenzy surrounding A-Level results last week. There is still a great deal of uncertainty surrounding the process and many schools are looking to challenge the grades awarded, including BGLC.

Given what happened last week with a significant proportion of students receiving grades lower than those submitted by the school (CAGs), we want to ensure no student is disadvantaged by the process the government have put in place.

For this reason we will make use of the CAG Grades that were produced by teaching staff and took account of the mocks that were undertaken. As a school we feel that this is the most robust data and the fairest way to ensure our students can progress into P16. We will watch very carefully how the guidance develops and clearly if students are awarded grades higher than their CAG this will only support their chance of progressing into P16.

We will work closely with all our other P16 partners to ensure students who are planning to go to alternative provisions get the support and information they require.

This is an unprecedented situation and we are seeking to ensure all our students are treated fairly and supported in their next steps. Our staff will be on hand this Thursday to offer guidance and support to you all.

Yours sincerely

Will Teece
Headteacher
