GCSE READINESS - INFORMATION EVENING FOR PARENTS

We are looking forward to seeing your child tomorrow to begin their key stage 4 GCSE and BTEC courses.

In the current circumstances we are unable to hold our GCSE Readiness Evening which was due to be held on Thursday 3rd September. To support our parents and students in these important studies we will be sending out the presentation that would have been given in due course.

In the presentation myself and Ms Hubbard, Deputy Headteacher will provide information to help you in supporting your child through the demands of the GCSE courses, as well as our expectations from students and ways we can support each child.

If you have any questions following watching the presentation please email them to me on headteacher@brookvalegroby.com and we will get back to you as soon as possible.

We will also hold an online Q&A meeting the following week which will give parents the chance to ask any questions directly to Ms Hubbard and me. Details of this will be shared with the presentation.

Yours sincerely

Will Teece
Headteacher
