Dear Parent / Carer

I am writing to remind all parents/carers of some advice from the government which will help to effectively reduce risk and create an inherently safer environment for all campus users.

Any students who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, must not attend school.

Should a student take ill whilst they are on campus with coronavirus symptoms they will be sent home, along with any siblings, and should follow the NHS advice for testing.

Please accept my thanks and appreciation in advance for your cooperation in adhering to the government advice.

Yours sincerely

Will Teece
