Dear Parents/Carers,

Cancellation of Year 8 Human Papillomavirus (HPV) vaccination

Further to the attached letter was previously circulated, we now have notification that due to a recent change in public health guidance, HPV vaccinations due to take place on 30th September 2020 have been postponed until 2021. This delay will not have any detrimental effect.

You are encouraged to complete the HPV consent form referred to in the original letter ready for when the vaccination is rearranged.

Yours sincerely

Debbie Lee
