September 2020

Dear Parents/Carers

Key Stage 3 Science Study Guide

During the course of Key Stage 3 Science, your son/daughter will be completing a number of tests and assessments after learning various topics. To help support their learning and bridge any learning gaps, we would like all students to have a revision guide, in addition to their knowledge organisers.

We highly recommend the CGP KS3 Science Complete Study & Practice (with Online Edition). The Complete Study & Practice guide is fully up-to-date and contains clear, friendly notes, diagrams and examples on easy-to-read pages. There are also plenty of summary and test-style questions, plus mixed topic tests and a practice exam, all with answers at the back of the book.

This is an excellent opportunity for students to practice self-testing, to reinforce their understanding and supplement your child's use of their knowledge organisers. The book comes with a free Online Edition. This means it can be accessed on any PC, Mac or device.

We are writing to you now because we notice that you did not purchase the guide when it was offered in year 7 or because your child is new to the school.

We can offer this book at a reduced price of £7.50 (RRP £10.99) and it will cover the whole of Key Stage 3 Science. This book is essential in helping students to sufficiently prepare for their assessments and to supplement the revision skills they learn in and out of lessons, necessary for when they reach GCSE level. We aim for students to have this learning aid as it will be actively referred to in and out of lessons.

Please make online via ParentPay by **Sunday 27 September 2020**. Delivery will be received shortly after the ParentPay deadline and books will be delivered to students in their Science lessons.

Yours sincerely

G Bailey

Gavin Bailey

Assistant Faculty Leader for science– Key Stage 3 Science Lead.

Note: If payment is not received by the deadline or you decide not to purchase the item at this time, please be aware the school will not be able to supply at a later date. You will need to purchase the resource from another supplier, whereby the discount may not be available to you.
