

Homework at BGLC Years 7-11

20/20/20

Daily Homework

Work Hard, Be Kind

Maths

Reading

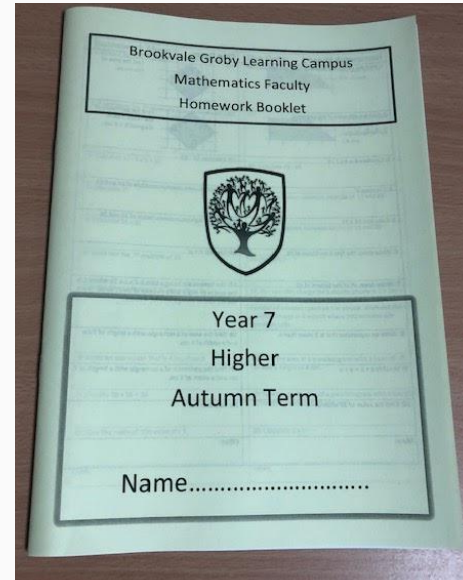

Knowledge organisers

Maths

The only way
to **learn**
mathematics
is to **do**
mathematics.

We require students to engage with 20 minutes of Maths every day, outside of school.

Reading Homework

- At least 20 minutes of reading per weekday. Students to choose what to read, however form tutors, librarians and English staff will be happy to help with resources and recommendations.

Knowledge Organiser Homework

What is a Knowledge Organiser?

Bobbin

Spool Holder

Bobbin Cover

Presser Foot

Bobbin Holder

Pin

Needle

Snips

Shears

What are they?

A **seam** is a line where two pieces of fabric are sewn together in a garment or other article.

A **hem** is the edge of a piece of cloth or clothing which has been turned under and sewn.

Appliqué is ornamental needlework in which pieces of fabric are sewn or stuck on to a larger piece to form a picture or pattern.

A **seam allowance** is the area between the edge and the stitching line on two (or more) pieces of material being stitched together.

Golden Rules

The seam allowance is 15mm

When stitching fabric together using a seam you put the right (nice) sides of the fabric together

When stitching a seam you always use a straight stitch (stitch 01)

The bobbin should travel in an **anticlockwise** direction and through the **thread guide** at 6 o'clock, then pulling round to 9 o'clock when threading the machine.

¿Qué viste? What did you watch?

Una película de amor una película de horror una película policiaca una película de aventuras

Una película de ciencia ficción

una película musical

una película histórica

Una comedia

una película de vaqueros

una película de guerra

un dibujo animado

Grammar – Past tense

IR – TO GO

Fui– I went
 Fuiste– you went
 Fue– he/she/ it went
 Fuimos– we went
 Fuisteis– You all went
 Fueron– They went

This verb is an irregular verb, so it does not follow any patterns. You just have to learn these verbs by heart.

¿Dónde fuiste? Where did you go?

Fui al Odeon.	I went to Odean.
Fui al centro de la ciudad.	I went to the city centre.
Fui al cine en las afueras de Leicester.	I went to the cinema on the outskirts of Leicester.

¿Con quién fuiste? Who did you go with?

Fui con mi familia.	I went with my family.
Fui con mis amigos.	I went with my friends.
Fui solo.	I went alone.

Reasons for opinions

Son interesantes	They are interesting
Son humorosos	They are humorous
Son aburridos	They are boring
Son estimulantes	They are stimulating
Son informativos	They are informative
Son creativos	They are creative
Son entretenidos	They are entertaining
Son emocionantes	They are exciting

Common mistakes to avoid:

When you give your opinion on genres (tyoes) of film you have to put the film into the plural form and use the correct form of 'the' after the opinion.

Don't forget to use the plural opinion too.

E.g. Me gustan **las** películas de amor
 Me chiflan **las** comedias.

The adjective then needs to agree.
 Me chiflan las comedias porque son humorosas.

See knowledge organiser on school topic for opinions.

¿Cuándo fuiste? When did you go?

El sábado	On Saturday
El domingo	On Sunday
El fin de semana pasado	Last weekend
En las vacaciones	In the holidays

Otros verbos importantes

Vi	I watched
Bebí	I drank
Comí	I ate

1.4 Making the business effective

Brookvale Groby Learning Campus—Work Hard, Be Kind
 KNOWLEDGE ORGANISER: GCSE Business Y10 Topic 4 Term 2

1) Liability

Liability: the legal responsibility the businesses owner has to pay its debts.

Limited Liability: There is a legal difference between the business and its owner

Unlimited Liability: There is no legal difference between the business and its owner

Unlimited Liability means the owners can lose their personal possessions if their business has debts. Limited liability reduces the risk as business debts will belong to the business, not the owner.

4) Private Limited Companies

Shares in a private limited company can only be sold if all the shareholders agree, and the opportunity to buy shares is restricted, usually to relatives and friends. Private limited companies have **Ltd** after their name in the UK.

Limited companies have **limited liability** and a separate legal identity from their shareholders, this means that the company can buy assets, make contracts and take legal action against other businesses in its own name rather than that of its owners.

Advantages

- Easy to raise finance
- Limited liability
- Continues to trade if shareholders change
- Customers trust a 'Ltd' more than other businesses

Disadvantages

- Complex to set up
- Shareholders may disagree
- Financial information is published and can be accessed by others
- Have to register through companies House

2) Sole Traders

A **sole trader** describes any business that is owned and controlled by **one person** - although they may employ workers. Individuals who **provide a specialist service like** plumbers, hairdressers or photographers are often sole traders.

Sole traders do not have a separate legal existence from the business. In the eyes of the law, the business and the owner are the same. As a result, the owner is personally liable for the firm's debts and may have to pay for losses made by the business out of their own pocket. This is called **unlimited liability**.

Advantages

- Easy to set up
- Small capital investment means reduced start-up costs
- Freedom to make decisions
- Keep all the profit

Disadvantages

- Responsibility
- Long hours
- Unlimited liability

3) Partnerships

Partnerships are businesses owned by **two** or more people.

Doctors, dentists and solicitors are typical examples of professionals who may go into **partnership** together and can benefit from **shared expertise**.

Advantages

- Shared risk
- Partner may bring money and resources to the business
- Someone to consult on business decisions

Disadvantages

- Unlimited liability
- Have to share the profits
- Disputes can arise over decisions that have to be made

5) Franchises

A franchisor grants a licence (the franchise) to another business (the franchisee) to allow it to trade using the brand or business format.

The franchisor helps with:

- Training staff
- Setting prices
- Choosing suppliers
- Setting wages
- Determining uniform

Advantages

- Brand image and reputation is already established
- Marketing and advertising costs covered by the franchise
- Existing customer base
- Support and training provided
- Higher chance of survival

Disadvantages

- The cost of the initial investment can be high
- The owner has little freedom to make decisions
- Franchisee will have to pay a fee or royalty (% of sales revenue) to the franchisor
- Restrictions on where the franchise can be set up

Knowledge Organiser Homework

- At least 20 minutes of revision per weekday.
- Written notes in your organiser. Tutors will check this every Monday in tutor time.
- Actively engage with the information.
- Quizzing on the content of KOs on a weekly basis by your subject teachers.

Knowledge Organiser Homework

How do I access my Knowledge Organisers?

Attention! Key documents for Year 6 & New Year 12 Parents/Carers for their children joining us in the Autumn term 2020.

Organiser...

Reading or
rereading

- Look, cover, write, check
- Write questions to answer at another time
- Use the knowledge to write an extended sentence
- Create something visual

Homework and using your Knowledge Organisers

Homework

Every school day you should be completing 20 minutes of reading, 20 minutes of Maths and 20 minutes working on your knowledge organisers. You should be studying/making notes/self-testing on at least 1 Knowledge Organiser (KO) within that 20 minutes.

You are to use your student diary to show the work you have done. You need to bring your KOs and student diary with you

EVERY DAY to school.

Your parents should sign your student diary every week to say you have completed your homework.

Parents should also sign off your reading and maths using the reading /maths log page at the end of each week in your student diary.

These will be checked by your tutor during Monday registrations each week.

You will also be tested in your lessons on knowledge from the organisers as part of the 'Do Nows' and other assessments.

Self-testing

You can use your KOs and student diary in a number of different ways but you should not just copy from the Knowledge Organiser into your diary. Below are some possible tasks:

- Look, cover, write and check
- Ask someone to write questions for you
- Write your own challenging questions and then leave it overnight to answer them the next day
- Create mind-maps
- Create flashcards
- Put the key words into new sentences
- Mnemonics
- Draw a comic strip of a timeline
- Use the 'clock' template to divide the information into smaller sections. Then test yourself on different sections
- Give yourself spelling tests
- Definition tests
- Draw diagrams of processes
- Draw images and annotate/label them with extra information
- Do further research on the topic

Presentation in Student Diaries

You should take pride in how you present your work in your student diaries. Self-testing should be completed in the space entitled 'Homework Evidence' and ensure that you note the subject in the space provided.

Week 1	
Wednesday 9th September 2020	
Subject	Homework Evidence
Art:	<p>Knowledge organised.</p> <p>keywords: line, tone, Texture, Contrast, proportion, artist Research; mixed media, reconstructive.</p> <p>Different shades to make 3D.</p> <p>Water colours Blend Harmonious. Tuesday 15th September 2020	
Subject	Homework Evidence
Geography	<p>Times the distance or measurement between 2 places on the map by the scale on the map.</p> <p>2. The units you measure in and the units on the scale have to be the same.</p> <p>3. E.G. If point A and point B are 3cm apart on a 1:25,000 map you... Same 25,000 cm</p> <p>4. You then need to convert the cm into a measurement that is used to measure distances in real life.</p>

Week 2

Monday 3rd September 2018 Auntie Jo's Birthday, x

Subject: Homework Evidence

French: 03/09/18 Il y a - There is
 Il y a deux châteaux bleus et trois hôpitaux mais un pharmacie.
 Elle est Maddie et elle est jolie. Je suis Hannah, aussi j'aime ma famille et copains! - There is 2 houses that are blue and 3 hospitals but 1 pharmacy. She is Maddie and she is pretty. I am Hannah, also I adore my family and friends!

Maths: 03/09/18 12 timetable - 12, 24, 36, 48, 60, 72, 84, 96, 108, 120, 132, 144. Equivalent Fractions:
 $\frac{1}{2} \times \frac{3}{9} = \frac{3}{18} = \frac{1}{6}$ $\frac{10}{90} - \frac{7}{90} = \frac{3}{90}$
(Fractions in general)

Tuesday 4th September 2018

Subject: Homework Evidence

Maths: 04/09/18 $\frac{1}{4} \times \frac{9}{12} = \frac{9}{48} = \frac{3}{16}$
 $\frac{1}{9} + \frac{3}{10} = \frac{37}{90}$ $\frac{2}{10} - \frac{1}{10} = \frac{1}{10}$
 $\frac{10}{90} + \frac{27}{90} = \frac{37}{90}$ $\frac{4}{10} - \frac{1}{10} = \frac{3}{10}$

$\frac{12}{15} \div \frac{8}{7} = \frac{42}{45}$ $\frac{12}{15} \times \frac{7}{8} = \frac{84}{120} = \frac{7}{10}$
 The more you exercise, the stronger you

Science: (diaphragm and intercostal muscles) will become. People who have asma have lungs that are sensitive to things like dust, pollen, smoke, pet hair.

Week 2

Wednesday 5th September 2018

Subject: Homework Evidence

Geography: 03/09/18 The power of an Earthquake is measured using a seismometer, this detects the vibrations caused by an earthquake. The seismometer plots the vibrations (the strength, or magnitude) of the quake.

Maths: 05/09/18 BIOMAS start $(9 \times 2) - 9 + 3 = 12$
 Brackets () B | 18 - 9 + 3 = 12
 Indices 12 I | 9 + 3 = 12
 Division ÷ DM
 Multiplication X AS
 Addition +
 Subtraction -

$4F + 9 - 3$	+3
finish
