Post A Level

Business is a subject that can be easily combined with other subjects. Higher Education Institutions will accept A level Business on all courses. Students taking Business at Higher Education will have a wide breadth of Business courses available to them including those linked with Modern Foreign Languages, Design, Engineering and Technology, Mathematics, Finance and Accountancy, Computer and Social Sciences. Many students go on to study on a Business related degree.

What about professions?

Business Studies is a valuable vocational qualification. It gives an insight into the running of business and provides skills in areas which a number of occupations would find useful such as: finance, marketing, human resources and strategic decision making.

Entry Requirements

A grade 5 in Maths and an English and if studied Business at GCSE/CNAT at least a Grade 5/L2 Merit.

It is advantageous to have studied the subject at GCSE; however, it is by no means necessary. Historically, many students choose Business who have not studied the subject previously and are very successful.
