BLACK
HISTORY MONTH
2020

This presentation is a mini celebration of the contribution of the BAME community in STEM subjects which have shaped our world and continue to do so.

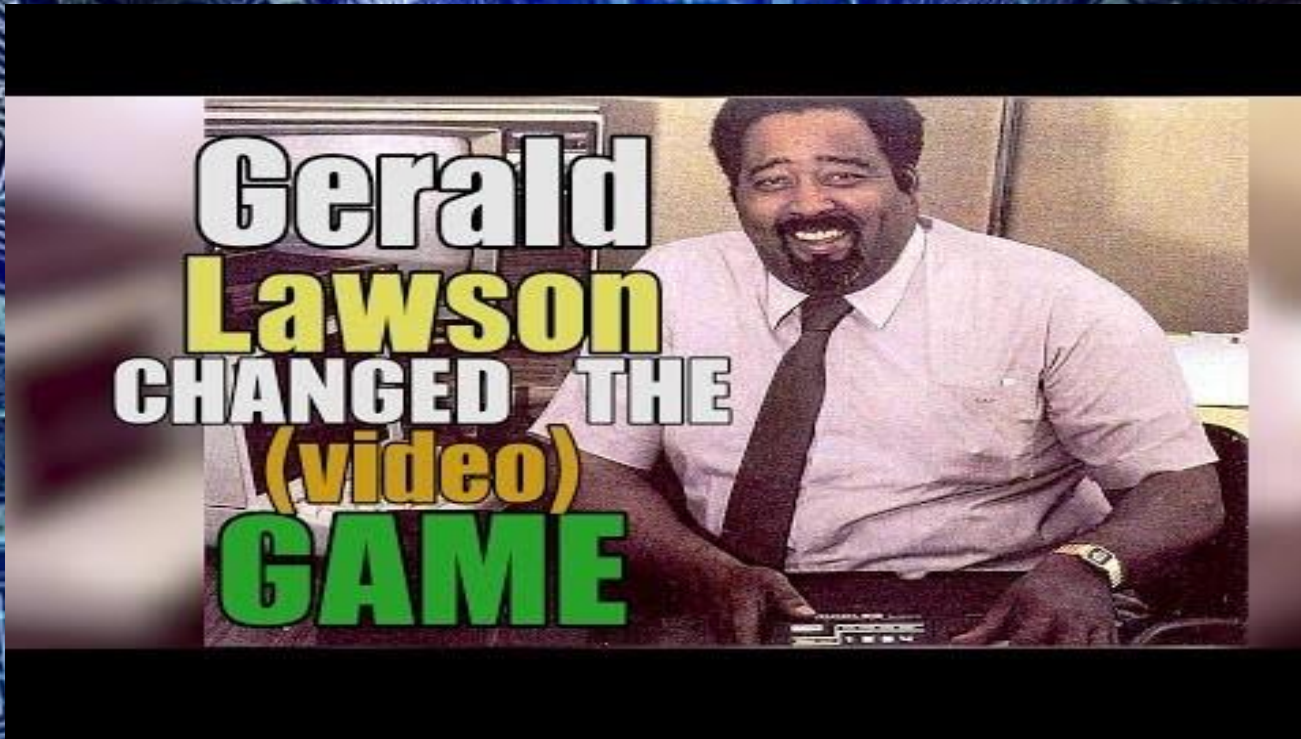

What can I do with Science?

[Mark Richards](#)

Atmospheric Physicist

What can I do with Technology?

[Gerald Lawson](#)

Pioneer of home **video gaming**

What can I do with Engineering?

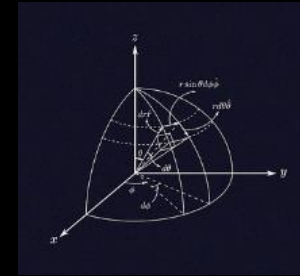

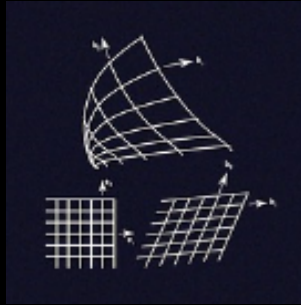

I also enjoy doing a lot of science communication, so that's what has led to things like the Discovery Channel

[Jassel Majevalia](#)

Materials, Mechanical Engineering and Physics

What can I do with Maths?

[Amazing Untold Story Of NASA's Brilliant African-American Female Scientists](#)

And some you may recognise.... 

Music

Football

**44th U.S
President**

...and I could end without saying
