Dear Parent/Carer

## Online Learning - Student Engagement

Each week we will be monitoring your child's engagement with their remote learning. We will be doing this in a variety of ways which will include:

- Attendance to live lessons
- Completion of work set in lessons
- Assessments
- Evidence of work completed at home (e.g. photographs of work)
- Quizzes / questionnaires etc

For students who are struggling to access or submit work, there are three "how to" guides that may be helpful. The links for these guides were sent out to you yesterday, but are included again now for your reference:

How access and submit work on the Google Classroom on laptops and PCs

Each week we will contact you if we don't feel that your child is engaging well enough with their learning and also if we are extremely happy with the engagement your child has shown.

Yours sincerely

Carol Hubbard – Deputy Headteacher
