Re: Year 9 Subject Booklet

Following on from our Virtual Year 9 Options Evening last week please find attached the Options Subject Booklet.

Students will have had their assembly this morning and in the following three weeks they will have individual subject assemblies which will give them more information about the courses on offer at KS4.

The electronic option form will be sent home for completion along with clear instructions on how to complete it before half term.

Below are links to the initial questions form and also the presentation from last week.
