RE: Apprenticeship Week

Dear Parents and Carers,

This year we are delivering events and activities throughout National Apprenticeship Week (8<sup>th</sup> – 14<sup>th</sup> February) aimed specifically at all Year 11 students who are looking for an apprenticeship. This week will include daily activities posted on the KS4 Careers Classroom, you can have access to these by either emailing me to request an invite to the classroom or through smart parents.

I will be posting live apprenticeships as I receive them so it is important that your child checks the classroom on a regularly bases, most apprenticeships with September start dates will start to appear around Easter time. I have produced a video which explains how to find an apprenticeship; you can view it and find more information on apprenticeships here: <https://brookvalegroby.com/apprenticeships/>.

On Tuesday 9<sup>th</sup> February, we have signed up to the Big Assembly lead by Amazing Apprenticeships, we hope your child(ren) will attend this live event. The live feed will be part of the year 11 assembly, if you are unable to access this you can watch it live here: <https://www.bigassembly.org/>.

A google form will be sent out this week to all Year 11 students asking them whether they would like to attend our specially arranged Microsoft Teams meeting with Elizabeth Smith from the SMB group; she will be discussing the application process for the range of apprenticeships available at Stephenson College and Brooksby Melton College. This event will be taking place on Thursday 11<sup>th</sup> February; they will be given a login code on the day.

Please find attached a flyer of the activities with some links to resources you may find useful.

Kind regards,

Mrs Hayley Dymond  
Campus Careers Advisor
