

# BROOKVALE GROBY LEARNING CAMPUS

Valuing Everyone, Achieving Excellence

Will Teece, Headteacher

Telephone: 0116 287 9921 Website: [www.brookvalegroby.com](http://www.brookvalegroby.com)

12 March 2021

Dear Parents/Carers

The young person in your care should, by now, have been issued with their home test kits, if they have been tested on campus. The kits were issued with full guidance (v 1.3.2), the guidance inside the kit boxes should be discarded.

Starting from next week, 15 March 2021, home testing should begin with a test on Monday and Thursday morning, or Sunday and Wednesday evening if more convenient. Please supervise the young person in your care while they take the test for those aged 12-17. Those aged 11 should have the test administered by an adult.

[YouTube Video - How to Test](#)

Please report all results as soon as possible afterwards to:

The NHS <https://www.gov.uk/report-covid19-result>

and

BGLC [Report Your Result to BGLC](#)

If your test result is positive follow the guidance on the 'How to Do a Rapid Covid-19 Self Test' above. Inform the campus immediately [reception@brookvalegroby.com](mailto:reception@brookvalegroby.com)

If the young person in your care struggles to test themselves and you would like support please email [reception@brookvalegroby.com](mailto:reception@brookvalegroby.com)

Whilst participating in lateral flow testing is optional, we are working hard to keep the school, our staff and our students as safe as possible and would therefore encourage you to support the young person in your care to take part if you can.

With very best wishes

Brookvale Groby Learning Campus
