Welcome to all Parents, Carers and Students

It is a real privilege for me to welcome you to our amazing campus and the BGLC family. We are very proud to have been judged Outstanding in 2014 (Brookvale) and Good with Outstanding Features in 2016 (Groby).

BGLC has a caring, disciplined, family atmosphere. All our students are known and treated as individuals. We have high standards, and we place particular emphasis on school uniform 11-16, exemplary behaviour, attendance and punctuality. We value being a decent human being as much as academic success. We seek to develop and nurture the whole, so every child can fulfil their true potential.

We are extremely proud of our excellent results which are consistently above national averages. Students thrive here, with a good proportion gaining the highest levels at GCSE and A Level, and high rates staying on into the Post 16 Centre, and then going to university.

We provide a wide range of courses from the start of secondary school aged 11 through to GCSE and A Level, with specialist teachers skilled in the delivery of each subject. We achieve excellent outcomes by our focus on each individual student and their learning strengths and needs. All students are strongly encouraged to participate fully in the breadth of extra-curricular activities available such as sport, music and drama.

All our staff are valued and we ensure their skills and knowledge are second to none through a comprehensive professional learning programme.

It is a huge decision to make when choosing a secondary school for your child, and we are delighted that you have chosen us. Your child will be in safe hands and always encouraged to be their best.

A very warm welcome you to our campus community.

Mr Will Teece, Headteacher

Campus 3C's

Across our campus we focus on 3C's

Currency - The best possible outcomes for all students

Character - Developing the whole student through a strong and purposeful character curriculum

Culture - Creating a thriving community in which students thrive, feel safe and progress

We want all of our students to feel Valued, Loved, Encouraged and Equipped. We achieve this through high academic standards and robust pastoral care that ensures that every child's needs are known and met. Our campus has a culture of kindness and excellence as embodied by our motto "Work hard, be kind".

We want all of our students to leave with the skills, qualifications and character traits to excel in any field of endeavour they choose.

Character education is hugely important on our campus and we follow a nationally recognised accreditation scheme called the Edge. Students will, during their time with us, work through the different levels of this award from Apprentice to Master. This scheme focuses on developing:

- Leadership
- Organization
- Resilience
- Initiative
- Communication

We know that developing the whole student to achieve their potential will lead to confident citizens of

STUDENT LEAVE OF ABSENCE IN TERM TIME IS NOT AUTHORISED BY BGLC BECAUSE:

Government guidelines prevent a Headteacher from granting any leave of absence during term time, unless there are exceptional circumstances. A family holiday during term-time does not fall under the category of 'exceptional circumstances' and we are, therefore, unable to grant leave of absence for a family holiday request.

If a student has absences recorded as a result of an unauthorised absence, Leicestershire County Council will be advised of this matter and may be requested to issue Penalty Notices in line with

Uniform Guide

In Years 7-11 we expect all students to wear full school uniform.

We want to make sure that students and parents are completely clear about what is and is not allowed so that money is not wasted by purchasing inappropriate items.

We strongly recommend that all items of uniform are named so that they can be returned to the student if lost.

We believe uniform is important for several reasons:

- It encourages the students to "dress for success", to feel pride in the school and feel part of the school community.
- It reduces the scope for competitive dressing, which can be a source of much unhappiness for some children.

Uniform Rules

If a student attends school in uniform that does not comply with our guidelines they will be asked to change into other items provided by the campus, or asked to remove an item that is inappropriate. Failure to comply with a request will lead to further sanctions.

Cycle

We provide bicycle racks where students can leave their bikes during the day. We encourage all students to lock their bike securely to the rack. Students must not cycle on the campus for safety reasons. Students must walk with their bike when entering and leaving the campus.

Leicestershire County Council Transport

Some students are eligible for free transport. This can be due to a number of reasons such as a family's circumstances, a child having special needs or the distance travelled to school. If you think your child might be eligible for free transport please contact LCC's Passenger Transport Department on 0116 305 0002 transportassessments@leics.gov.uk

Weduc is a digital communication and engagement tool, designed specifically to benefit our school community – staff and parents/carers. The inclusion of an app means users can access it on their phone, for greater convenience and easy access.

This is a new system which will be rolled out on campus during the summer term.

Catering

The campus operates a cashless system for students purchasing food and refreshments. Adding money to a student's lunch account is a simple online process and the preferred method.

Students are issued with an ID card with a lanyard and use this to record their catering choices and spending on a daily basis, which parents can then monitor.

If this card is lost by a student we make a £5 charge to issue a replacement.

Details on how to set up a Weduc account will be emailed to all parents/carers.

If you have any questions or need support when setting up your account then please contact school reception.

Google Classroom for “Smart Parents”

To provide our parents/carers with information about their child at school, we use an online package, called “Smart Parents”, from Realsmart.

The system provides access to the following:

- Student timetable
- Attendance
- Behaviour and achievements
- Homework tasks

Parents are provided with a link to Smart Parents.

You will be issued with the **student user name**, and **PIN**, along with instructions, early in the new term.

Parents create their own user ID on the smartparents website.

The user ID is associated with the student username and PIN.

User guides on other aspects of using the website will be in the Docs tab on the site: www.realsmart.co.uk

Student Lockers

Lockers are available for students to use.

However, we do not have sufficient lockers to issue one to each student, so availability is limited.

PLEASE NOTE:

For Year 7 new starters, online payment for lockers will be made available via Weduc in August.

Locker keys will be issued to students in the first week of the new term.

** Lockers are not currently in use but we hope following the lifting of restrictions to offer this service again.*

Medical Conditions and Medication

If your child has a medical condition, please ensure it is specified on their admission form. A meeting will then be arranged for you to come to campus to meet Miss Beth Smith, First Aid Lead and an Individual Health Care Plan will be put in place, if required.

Parent/Carers are responsible for ensuring that students who have been diagnosed with Asthma must carry their own inhaler with them at all times. We also encourage students to bring in a spare, named, in-date inhaler, which can be kept in the main Campus Reception.

Students who have been prescribed an Adrenaline Auto Injector (AAI) must carry their own AAI with them at all times, [two, if this is what has been prescribed], including for trips, PE and away sporting fixtures. In addition to this a spare, named, in-date, AAI can be kept at Campus Reception. An Emergency Action Plan must also be completed by the prescribing doctor and this will need to be in school before the student starts. Parents/Carers are responsible for checking all medication is in-date.

For further information, please see our Supporting Students with Medical Needs Policy and Procedure 2020-2023, on our website.

Please do not hesitate to contact Beth Morrison if you have any questions about medication in school email: bmorrison@brookvalegroby.com.
