

Dear Parent/Carer of Student Year 7 to Year 10

In response to the issue of sexual bullying and inappropriate language in schools raised recently in the national news and across social media, all students in Years 7 – 10 will receive a lesson on this subject during Lifeskills in the next couple of weeks.

The lesson has been created by the NSPCC and is aimed at KS3, but is also suitable for Year 10 students. The lesson will be followed up with discussion and consolidation work in tutor time sessions.

If you would like further information please feel free to contact me via email or telephone,

Kind regards

Mrs Elaine Dawson
Careers Leader and
Faculty Leader for Lifeskills
