23<sup>rd</sup> March 2021

Dear Parents/Carers

## **BTEC Health and Social Care Revision Guide**

Your child is currently studying BTEC Health and Social Care and there is an excellent [revision guide](#) available to help prepare students for the exam in February 2022.

Students will start to study the content in September 2021, but I thought it best to get the books ordered early. The cost of the revision guide is £6, but as a department will be purchasing every student a copy, in recognition that it has been a difficult time financially for some families.

There is an additional *Assessment Plus* book which will benefit your child, and you can view it here: <https://www.pearsonschoolsandcolleges.co.uk/fe-vocational/subjects/health-and-social-care-fe-vocational/btec-tech-award-health-social-care/revise-btec-tech-award-health-and-social-care-practice-assessments-plus-1#products> This book contains 4 past papers and guides students through how to answer exam-style questions. I have been able to secure a discount, with the book costing £3.50. Purchasing this book is entirely optional, but I would highly recommend it to help your child when revising at home and in lesson time.

If you would like to purchase the *Assessment Plus* book please can you make the payment via Parent Pay by **Wednesday 5th May**, and I will then be able to order the books to be delivered to college.

If you have any questions, please email me on [vvarney@brookvalegroby.com](mailto:vvarney@brookvalegroby.com)

Kind regards,

Vicki Varney  
Faculty Leader of Humanities (Health and Social Care teacher)
