

26 August 2021

Dear Parent/Carer,

This letter is to inform you about the planned GL assessments which we will be conducting with year 7, 8, 9 and 10 students over the first half term. All year groups will be completing spelling and reading tests. These will be delivered in Computing and Life Skills lessons (as outlined below). Please also find a link to the schedule of GL Assessments for Y7, Y8, and Y9 for English and Maths. Please click on the relevant year group link to see the dates, room and lesson number for these tests.

Students will get instructions before each assessment. Students will complete all assessments on a computer and will need headphones to listen to the instructions. We will not be able to provide headphones for all students, so if your child has their own headphones, please can they bring them into school on the days they have the tests. The connector needed for our computers look like this (wireless headphones will not work):

[Year 7 - English and Maths Assessments](#)

Spelling (wc 30.8.21) and Reading (wc 6.9.21) assessments will take place in their computing lessons

[Year 8 - English and Maths Assessments](#)

Spelling (wc 30.8.21) and Reading (wc 6.9.21) assessments will take place in their computing lessons

[Year 9 - English and Maths Assessments](#)

Spelling (wc 30.8.21) and Reading (wc 6.9.21) assessments will take place in their Life Skills lessons

Year 10

Spelling (wc 30.8.21) and Reading (wc 6.9.21) assessments will take place in their Life Skills lessons

Students do not need to prepare for these assessments.

We will let you know if any of the schedules change.

Kind regards

Carol Hubbard

Deputy Headteacher - Curriculum and Assessment
