Dear Parent/Carer,

I just want to write a very quick letter to congratulate your child on how well they have approached the first weeks of their new school. The whole staff body has been hugely impressed with how polite, mature, adaptable and well behaved they have been this week.

We already know they are a great year group and they have settled in phenomenally well in such a short period of time. We hope they too have enjoyed their time with us and their new classmates and we are looking forward to working with them more closely in the coming term.

There will be a lot of information that you and your children will have had to digest and new systems to get familiar with, should you have any questions please do not hesitate to contact the school. To ensure your queries are dealt with it is always best to make contact in the following ways:

General concerns - Form Tutor / Head of Year

Subject concerns - Class Teacher / Head of Faculty

Students Services - Mrs Debbie Lee / Reception

Our full staff contact list can be found on the website [here](#).

I hope your children have a restful weekend and we look forward to seeing them next week.

Yours sincerely

W Teece
Headteacher
