September 2021

Dear Parent/Carer

Year 10 /11 Separate Science Revision Guides and Workbooks

To support learning for Separate Science GCSE, we ask that you purchase the Revision Guide and Workbook with Answers for Biology, Chemistry and Physics. These books will be used by the subject teachers in lessons so it is important that each student has a copy.

The total cost for the guides and workbooks (6 books) is £27. This represents a substantial saving to the recommended price. This is now assigned on Weduc –Squid as one item for you to make payment. **The deadline for payment is Sunday 26 September.**

Students in receipt of free school meals or pupil premium funding will receive these books funded by BGLC. Once the book order is received on campus, they will be issued to students by their class teacher.

Yours sincerely

Helen Hawke

Faculty Leader, Science

Note: If payment is not received by the deadline or you decide not to purchase the item at this time, please be aware the school will not be able to supply at a later date. You will need to purchase the resource from another supplier, whereby the discount may not be available to you.
