

Application Pack & Job Description Faculty Leader – Maths (TLR1c)

Brookvale Groby Learning Campus

Welcome from the Headteacher

Dear Prospective Applicant,

Thank you for expressing an interest in the role of Faculty Leader for the Maths faculty at the Brookvale Groby Learning Campus. This is an exciting time to join our campus and we look forward to working with a new member of staff who will share our ambitious vision, "Valuing Everyone, Achieving Excellence".

The campus has been through a period of significant change having converted to a multi academy trust in 2017 and a merger to a single academy trust from September 2019. Our founding schools were Brookvale High School, an 'outstanding' 11-14 high school, and Groby Community College, a 14-19 upper school graded as 'good with outstanding features'. Now, as a united campus, we meet the educational needs of over 1500 students with over 300 of those enrolled in our Post 16 provisions.

We have a strong ethos of valuing everyone and achieving excellence for all. We set very high standards for our students and ourselves, we work hard, we look after each other, and we are committed to professional learning for all staff. As a consequence the motto we use on a daily basis with our young people is to work hard, be kind which we feel symbolises the culture we aim to create on campus.

We have a spacious semi-rural campus location and most of our students live in the surrounding villages with some travelling from Leicester and its western suburbs.

We hope the information provided within this pack will help you to gain a feel for the school but please also visit our website - www.brookvalegroby.com. Please click here to view our [360 Virtual Tour](#) which is also available on our website.

If you would like any further information or to visit our campus please contact Tracey Malsbury, PA to Headteacher/SLT on tmalsbury@brookvalegroby.com.

I would like to thank you again for your interest in the post and I look forward to receiving your application.

Yours sincerely

Will Teece
Headteacher

Visions, Values and Ethos

The shared vision and values of the Trust underpins all that we do, including the governance arrangements for the Trust.

Our Vision

Valuing Everyone, Achieving Excellence

Our Motto

Work Hard, Be Kind

Our Core Values

Community, Aspiration, Resilience, Excellence

Testimonials

Emails from parent during Covid pandemic (Jan 2021):

*I just wanted to acknowledge and thank you for all the ongoing engagement with students and communication with us as parents during this very difficult time. I can only imagine how much additional work this has generated for all the staff at BGLC, and it is greatly appreciated - we have felt very well informed throughout. As parents who both work full time we are not able to very closely supervise our sons during their home schooling, but we have seen how much engagement there has already been from their teachers, and I think/hope this will keep them on the right track!
Many thanks again to all of the staff at BGLC.*

I just wanted to send a quick "well done" and "thank you" to all your staff. I have 2 children at BGLC and I am very impressed with the lockdown learning that they have received this week. Thank you to your teaching staff for keeping them engaged in learning. In these challenging times, keep up the good work all.

Extract taken from email correspondence, following a tour of the school by a prospective parent:

'I would just like to say thank you for the time spent with me today on my tour of the campus, and state how impressed I was with the school. There seems to be a very calm, relaxed and organised approach to how the school operates, and I believe that obviously shows in the way your students behave.'

Written comments from parents following Year 8 Progress Evening (2019):

'My child goes in happy and comes home happy and enjoys his day to day school life.'

'It has the caring element of a small school. Children are pushed to achieve targets in a positive way.'

'The staff at this parents' evening have blown me away with their friendly, enthusiastic and knowledgeable manner.'

Written comments from parents following Year 11 Progress Evening (2019):

'All the teachers I have met tonight know my son very well. I think all of them are interested and care about his progress.'

'All 3 of our children have thrived through the support that the school has given them, so happy with their education.'

'The school is excellent, helping my child progress and I would recommend it.'

Year 10 student (June 2019):

'In my opinion, the teachers that teach me are very patient in the sense that if I don't understand something, they will try their best to ensure that I grasp that piece of knowledge whether it be by a diagram or an acronym etc. Another great thing about the school is that we have so many facilities so that we can excel in whatever we may want to do so.'

Year 7 student (June 2019):

'I think the best thing about Brookvale Groby Learning Campus is the facilities in every department and the opportunities that are given such as trips and extracurricular sports activities. I have also felt that I've been welcomed to this school with so much support from my form tutor and teachers.'

Extract of letter from staff member:

'I have thoroughly enjoyed my time on campus. It has been a real pleasure working with staff who are always friendly, extremely supportive and willing to share ideas and knowledge. I have really appreciated having a senior leadership team which is so warm towards its staff and open to their comments and new ideas.'

The children I have taught have made me smile, laugh and cry! I will miss my relationship with them and that buzz you get from seeing them progress. It does, however, give me great satisfaction to think that I have put into place schemes of work for pupils and created learning opportunities for them which should continue even after I have left.

I am sad to leave a post which I still love. Once more, thank you for all of your support and kindness.'

Why work at BGLC?

	
<ul style="list-style-type: none">● Fully resourced curriculum for KS3-5● Clear / Evidence informed approach to teaching through our “Model of Expert Teaching”● Clear CPD pathways to support every career aspiration● Simple QA process through our Developmental Drop Ins● Simple approach to home learning - 20/20/20● Centralised behaviour system with● Friendly supportive community● A commitment to staff well being - evidenced by our workload charter● Professional learning community - looking at the most impactful pedagogy● Strong SLT presence● Amazing campus	<ul style="list-style-type: none">● No disruption to lessons permitted● No fads - We have a plan and we stick to it● No individual lessons plans● No high stakes observations● No gimmicks● No hours of marking - simple and effective whole class feedback prioritised● No excess data analysis or data inputs● No lengthy written reports● No stagnancy or complacency● No excessive after school meeting

Faculty Information

The Maths faculty comprises a hardworking and friendly group of staff who work well together at KS3, 4 and 5 in an atmosphere of mutual support. The faculty benefits from having experienced teachers who are able to offer help and support as well as staff who are relatively new in the profession, who contribute new thinking. Our ethos is to drive students to achieve their maximum potential in the subject. There is an unrelenting focus on teaching and learning. Our results at KS4 and 5 continue to improve with 77% of students achieving 9 to 4 grades at GCSE and 60% achieving A*/B grades at A level.

Staffing

There are 17 members of staff in the faculty including 3 TA/HLTA's supporting in lessons. The staff are strongly encouraged to develop and share their expertise in teaching and learning and are given support and encouragement with this process. A strong emphasis is placed on CPD. We are always looking at ways to improve the teaching and learning of mathematics in order to improve students' experience in the classroom.

Accommodation

We have a suite of 10 classrooms, 1 of which is also a computer room and 3 staff offices. All rooms have ceiling mounted data projectors and interactive whiteboards. We have worked hard on displays over the last few years to improve the learning environment.

Courses

KS3: Students follow the White Rose Maths schemes of learning at both KS3 and KS4. We encourage the development of mastery and depth at all levels.

KS4: All students sit the Edexcel GCSE Maths exam. Students in set 1 also study the Level 2 Certificate in Further Mathematics and have the option to sit this exam in Year 11.

KS5: we offer AS and A2 courses in Maths and Further Maths following the Edexcel specifications through OCR. We also run GCSE Maths one year classes for AS students as well as Core Maths.

Students in KS3 and 4 have four maths lessons a week; Year 12 resit two; Year 12 and 13 nine per fortnight.

All A level groups are shared between 2 teachers.

Resources

The Maths faculty has an extensive bank of paper and electronic resources. We pride ourselves on the use of a variety of resources to engage learners and create a sense of wonderment. GCSE students have access to MyMaths, JustMaths and at KS5 the integral maths and Pearson Active Learn sites, and are expected to make use of revision websites that contain video tutorials and worked solutions to exam questions.

We have sets of Collins KS3 and GCSE textbooks for Foundation and Higher ability students in each classroom. There are also Further Maths and Core Maths textbooks.

Faculty Leader – Maths

Salary: MPS/UPS + TLR1c - Full time from January 2022

The role of Faculty Leader for the Maths is a pivotal middle leadership role, integral in embedding our 11-19 vision across this large and highly successful team of professionals. The successful candidate will have the opportunity to lead other TLR holders and the teaching staff into a new era, shaping and ensuring the future success of the department.

This post will be excellent training for future senior leadership with the opportunity to work with SLT in developing a whole school digital learning strategy and shape the way we use innovative technology on our campus. There will be opportunities to lead strategically, demonstrate clear management and have a visible impact on outcomes. The selection process will allow the successful candidate to articulate their vision for how this role can develop the use of digital technologies to support learning on the campus.

We are looking to appoint a dynamic Maths Faculty Leader who is driven by the moral purpose that we are here to secure:

- excellent levels of progress and achievement for every student across the key stages;
- a dynamic and modern curriculum in collaboration with the team;
- outstanding teaching and learning across the campus;
- a strong team ethos across the campus.

We are seeking to appoint an outstanding professional who:

- is an experienced and highly effective classroom practitioner;
- able to teach Maths and Further Maths up to and including A Level;
- has the ability to think strategically and nurture a team ethos capable of raising standards;
- is prepared to take up the challenge of making a significant impact on campus life;
- is self-motivated, organised and committed to ensuring the students get the very best learning experiences;
- is inspirational and has the ability to train and lead others;
- is an excellent team player;
- can communicate well with staff, students, parents and governors;
- embraces hard work and loves a challenge.

In return we can offer:

- the scope to make a significant contribution towards the next stage of our development;
- professional learning experiences that will enable further development within the profession, for example through collaboration with and support for other schools and recognised qualifications.

For further details or to arrange a visit to our campus please contact Tracey Malsbury on 0116 2879921 or tmalsbury@brookvalegroby.com.

Closing date: 9.00am, Monday 4th October 2021

Interviews will take place within two weeks of closing date

The Brookvale Groby Learning Campus is committed to Safeguarding Children and Young People and expects all staff and volunteers to share this commitment. Applicants must be willing to undergo appropriate child protection screening, including checks with past employers and an enhanced DBS with a Barred list check.

How to apply

Complete application should be returned to tmalsbury@brookvalegroby.com

Or by post to
