September 2021

Dear Parent/Carer

Year 10 Students studying an Art Design Technology / ADT subject

In the ADT department at Brookvale Groby Learning Campus we aim to give our students the opportunity to access a wide ranging curriculum. Parental contributions are essential in helping to cover the costs of materials and equipment in ADT lessons.

We therefore ask that all students taking an ADT option subject make a voluntary contribution of **£17.50** per subject to cover the costs for the 2 years on the course, making it possible for our students to develop skills in using specialised materials and equipment. Normally we request £20 per ADT subject but we have additional materials from last year to cover this.

Regrettably if you choose not to make a contribution, the items made may be kept and recycled. The deadline for the payment is **Friday 29th October 2021**.

We hope that you are able to help in this matter and ask that you please make payment via our Weduc, online system. If you require set up information for Weduc please email reception@brookvalegroby.com

We will be sending out a consent form for completion in due course

Yours faithfully

S Dixon

Mrs. Sarah Dixon
