To assist students with their studies in Year 12, we offer the Eduqas A level Business Component 1 textbook and calculation practice book. These accompany the content in year 12 and contain all of the chapters and topics covered on the course during the year. The textbook and calculation practice book are essential for revision and completing homework.

The cost of both the textbook and practice book is £10, and we ask that payment is made **by 15th October 2021 please**. The booklet will be issued to students as soon as it is printed after this date.

Yours sincerely
