Dear Parent/Carer

Lost Property

We have a large amount of lost property at BGLC, as you will see from the pictures below. If items are named we will return them to their owner. We put regular announcements on the daily bulletins and students can come to check the lost property store at break or lunchtime, but there are still many items unclaimed.

If you know your child has lost an item, please ask them to come along to Reception. You are also welcome to come to campus and check our lost property stock.

Can we also ask for your support in ensuring that all items include the students name, clothing in particular. It is very difficult to differentiate one PE hoodie from another!

Unfortunately, due to limited space, we have to clear the stock from time to time and this is usually done at the end of each half term. As we have experienced unprecedented amounts of lost property this term, it is hoped this request might enable some items to be identified, so we will keep the stock for an extended period.

Yours sincerely

Debbie Lee Student Services Manager
