Dear Parent/Carer of Year 11 Students

1:1 Careers Mock Interviews - Wednesday 3 & Friday 5 November

Each year, as part of our wider careers education strategy, we employ 'Leicestershire Cares Ltd' to co-ordinate our Year 11 mock interviews. They arrange for local business volunteers and STEM ambassadors to come into school and provide the opportunity to practice vital life and employability skills as part of our aim to ensure that our students move forward as successful and confident young adults.

This year once again, because of COVID restrictions, they will deliver the mock interviews remotely through Zoom. This activity has always been valued and found to be very helpful by our students and as remote interviews are being used more frequently by colleges, universities and employers it is even more important that students have this chance to learn.

If you would like any further information please email me – edawson@brookvalegroby.com.
