October 2021

Dear Parent/Carer

## BGLC School Shop

You may be aware from previous years that school offered the provision of selling learning resources to students via an online school shop. This is now available once more and to purchase items available from the shop, we have prepared a stock list for you, as a Weduc form.

To obtain items from the shop:

1. Open the form on Weduc: **BGLC Shop List for Learning Resources**
2. Complete the student details
3. Tick the box for the items you wish to purchase
4. Submit the form - Reception office team staff will then process the request
5. The total amount due will be allocated on Weduc-Squid to the offer:  
**School Shop Payment for Learning Resources**
6. Make payment please
7. The resources will then be delivered to the student, usually within a week.

Items in the School Shop are listed under three categories:

- **GCSE Resources** - For Years 10 and 11  
These are resources that will be beneficial to students during their GCSE studies. Most items are listed showing discounted prices, compared to RRP.
- **A Level Resources** - For Post 16 students  
Again these are resources specific to A level courses and most are discounted.
- **General Stationery**  
Items listed in this category for your reference, but as they only small value items, we ask that your child is sent to school with cash to pay for them (correct change where possible please). All items are stocked in Reception and can be purchased at break or lunchtime.

## Key Stage 3 Resources – Years 7 to 9

Please note that resources to support learning in years 7 to 9 are not stocked in the school shop, but in cases where we feel it would be beneficial for a student to use a revision guide/text book we will issue an invitation to parents/carers to purchase these specific items.

Yours sincerely

Debbie Lee  
Student Services Manager
