

Year 7 - Where the journey begin

In year 7 you will learn about how Britain went from being invaded to becoming the Invaders. Then you will focus on how Britain used her empire for total war. There is also a local study about Richard III.

You will begin to learn skills such as describing and explaining. You will start to analyse sources and look at how useful they are.

You will have an understanding of second order historical skills such as cause and consequence and significance.
