25 January 2022

Dear Year 11 Parents/Carers,

We are aware this has been a challenging year for your child as their education has continued to be impacted by the pandemic.

Students completed mock exams before the Christmas break and will have more assessments/mocks in the weeks ahead. They will then be in the final run up to their exams and we all sincerely hope this time is not further impacted and that students can prepare for the summer exam period effectively.

We would like all of our young people to receive a positive/personal message from parents/carers to encourage them and keep them going through the coming weeks.

Our plan, with your help, is to issue your messages of support to students immediately after Easter to start the term in a positive way.

You are free to write whatever you wish but we would like you to write something that shows:

- You are proud of them
- You have confidence they can excel in their exams / work
- To keep going, even when times are hard
- To look to a brighter future
- To give them a sense of hope
- To know they are loved and cared for no matter the outcome

We have given these messages out in previous years the feedback from students has been really positive - they were really appreciated, having a powerful and emotional effect on the young people.

It can also be a challenge when some students do not receive a letter. In these cases we will always write one or ask their tutor to, so we would urge you all to spare just a few minutes to complete this form by **FRIDAY 25TH MARCH**.

Please click on the form below to send a message to your child:

[**YEAR 11 PARENT/CARER MESSAGE**](#)

We hope you see the merit of such a request and feel able to support us in what we are asking.

Many thanks,

Jack Brownnett
KS4 Progress Leader
