

28 January 2022

Dear Parent / Carer,

Good afternoon and welcome to this week's Parent Bulletin. Please find below important campus information relating to our students. We hope this assists in supporting your child and ensuring you are aware of the most important updates across the school.

All Years

- Please could we remind parents not to drive onto the school site at the start or end of day to pick students up. We want to do all we can to ensure students are safe as they exit the site.

- **Latest Covid Guidance**

Following the latest government announcements and removal of Plan B restrictions we would like to remind parents and students of the following:

- Students to continue with LFD tests twice weekly
- Hand sanitiser on entry to classroom/building
- Face coverings are not mandatory in classrooms or communal areas but given the high student and staff absence, we are encouraging the continued use of face coverings to protect your child's education.
- The isolation period following a positive LFD test is now 5 days but this is only with 2 negative tests required on Day 5 and Day 6 and no temperature. The full guidance for isolation periods can be found [HERE](#)

- **The Lord-Lieutenant's Awards for Young People 2022** is OPEN for nominations!

The young person 13 - 19 can be nominated by other young people, their school, parent/carer or any other agency.

- **Communication of Achievements and Behaviour to Parents**

Following requests from parents / carers to reduce the number of WEDUC messages that are received we have reviewed our reporting of behaviour incidents and achievements. Moving forwards behaviour incidents will continue to be reported on a daily basis. All achievements will now be notified to parents in a single message sent on Friday. Hopefully this will be a good start to the weekend and perhaps cause for celebration!
