

Weduc Message sent 21/02/22 to Year 9 Parents/Carers

Year 9 Options Update - please note Drop In Session no longer going ahead on 24/02/22

Dear Parents/Carers of Year 9 Students

In school today, your child will have been sent a link to a google form for them to choose their GCSE Subject Options and to submit this electronically.

Students will be getting support to complete this form during Life Skills lessons and we encourage you to talk through option choices with them too. The **deadline for submitting choices is 11 March 2022**

Whilst a "Drop-In Session" was provisionally scheduled for Thursday 24 February, this evening will not be going ahead but has been replaced by the offer of 1:1 support for any parents/carers who need this. This could be a telephone call or a face to face meeting at a mutually convenient time.

I am happy to support you with any questions you may have and you can contact me by email chubbard@brookvalegroby.com or telephone 0116 287 9921 and select extension 237.

Kind regards

Carol Hubbard
Deputy Headteacher (Curriculum)
