All Years

- **Help for Ukraine**

Thank you to all parents, students and members of the community that have contributed to the collection for the women and children fleeing the Ukraine. We have even had donations from people that have no children here on campus which is fantastic. What an amazing quick response by us all pulling together for a much needed cause.

The items have been taken to a local Polish church where they will be collecting today to be taken to Poland where women and children are crossing the border.

If you missed sending donating items, we are looking into other areas in which we could donate and will place this on our social media pages or even potentially organise another event. As you can understand, we are uncertain at the moment due to the situation. Alternatively, if you would like to donate to this cause you can do so at www.samaritans-purse.org.uk

Thank you all again for your kindness as it embeds our motto of 'work hard, be kind'.
