Dear Parent/Carer,

I am sure we have all been watching the events unfold in the Ukraine and have been touched by the stories coming out of the conflict zone. Our students have all been given an assembly around these events and offered support where they may be worried or anxious.

We were also extremely touched by the significant support around our appeal to provide clothing and toiletries to those in need and our community made a significant contribution to the local church appeal. It has now become apparent that funds are needed more than donations due the logistical challenges of getting the items where they are most needed.

A number of students have approached staff, asking to do more and have been keen to raise money for those most in need through the Disaster Emergency Committee appeal. More information can be found here:

For this reason we have decided to run a non-uniform day on **Friday 8th April** to support this appeal and ask that all students donate £1. Contributions to pay for this can be paid online on your child's Weduc account below the purse within Squid a payment "offer". No amount is set so you can choose a denomination yourself, £1 is the minimum suggested contribution.

Across the campus students will also engage in other activities outlined below:

Running such events has been supported by the DFE.

Yours sincerely
