## Message from Uniform Direct:

By extending our opening hours on these dates, it gives parents the opportunity to purchase their uniform early ready for the return to school in August, and the flexibility to come into store outside the normal operating times when their visit can be planned around work, meals or other activities. Leaving them and their children time to enjoy their summer holidays knowing that uniform is sorted.

The store will be fully stocked with your uniform and we encourage parents to shop early to avoid the August rush. If items are purchased early and the student has a growth spurt during the summer holidays, we will exchange up until start of school with a receipt. Our dedicated staff will be able to assist with sizing, and we trust that parents will enjoy the experience as a pleasant and stress free one.

## Assistance with Obtaining Uniform

We have limited supplies in school of some jumpers and cardigans (new) plus various second-hand items, which have been kindly given to us by students who no longer need them.

Please enquire at Reception for more information about the items we have available. There is no charge for these items, but a money donation is optional.

**PLEASE LET US HAVE ANY UNWANTED UNIFORM !!!**
