Teacher of Science**

Brookvale Groby Learning Campus

Welcome from the Headteacher

Thank you for expressing an interest in the role of Teacher of Science at Brookvale Groby Learning Campus. The post is a full time post but we will also consider part time for the right applicant. This is an exciting time to join our campus and we look forward to working with a new member of staff who will share our ambitious vision, “Valuing Everyone, Achieving Excellence”.

The campus has been through a period of significant change having converted to a multi academy trust in 2017 and a merger to a single academy trust from September 2019. Our founding schools were Brookvale High School, an ‘outstanding’ 11-14 high school, and Groby Community College, a 14-19 upper school graded as ‘good with outstanding features’. Now, as a united campus, we meet the educational needs of over 1500 students with over 300 of those enrolled in our Post 16 provisions.

We have a strong ethos of valuing everyone and achieving excellence for all. We set very high standards for our students and ourselves, we work hard, we look after each other, and we are committed to professional learning for all staff. As a consequence the motto we use on a daily basis with our young people is to work hard, be kind which we feel symbolises the culture we aim to create on campus.

We have a spacious semi-rural campus location and most of our students live in the surrounding villages with some travelling from Leicester and its western suburbs.

We hope the documents provided help you to gain a feel for the school, but if you’d like to find out more, then please contact Tracey Malsbury - tmalsbury@brookvalegroby.com or telephone 0116 2879921, in the first instance.

All of the documents to support this application process are available on our website, www.brookvalegroby.com.

We would like to thank you again for your interest in the post and we look forward to receiving your application. Please do note however that, to adhere to our Child Protection and Safeguarding procedures, CVs are not accepted as a form of application and are not put forward to the shortlisting panel. If you have not heard from us within 2 weeks of the closing date, then please take it that on this occasion your application has not been successful. If this is the case, then we thank you for your interest, and for the time spent applying.

Yours sincerely

Will Teece

Testimonials

Emails from parent during Covid pandemic:

I just wanted to acknowledge and thank you for all the ongoing engagement with students and communication with us as parents during this very difficult time. I can only imagine how much additional work this has generated for all the staff at BGLC, and it is greatly appreciated - we have felt very well informed throughout. As parents who both work full time we are not able to very closely supervise our sons during their home schooling, but we have seen how much engagement there has already been from their teachers, and I think/hope this will keep them on the right track! Many thanks again to all of the staff at BGLC.

I just wanted to send a quick "well done" and "thank you" to all your staff. I have 2 children at BGLC and I am very impressed with the lockdown learning that they have received this week. Thank you to your teaching staff for keeping them engaged in learning. In these challenging times, keep up the good work all.

Extract taken from email correspondence, following a tour of the school by a prospective parent:

I would just like to say thank you for the time spent with me today on my tour of the campus, and state how impressed I was with the school. There seems to be a very calm, relaxed and organised approach to how the school operates, and I believe that obviously shows in the way your students behave.

Written comments from parents following Open Evening:

I just wanted to write to say what a credit the students were to your campus last night. They were very helpful, polite and informative. I was in awe of the two students who spoke so confidently in front of a hall full of parents – what a talent to have at such a young age. The staff were all lovely too! We definitely left with a very positive view of the campus.

Written comments from parents following Year 11 Progress Evening:

'All the teachers I have met tonight know my son very well. I think all of them are interested and care about his progress.'

'All 3 of our children have thrived through the support that the school has given them, so happy with their education.'

'The school is excellent, helping my child progress and I would recommend it.'

Year 10 student:

In my opinion, the teachers that teach me are very patient in the sense that if I don't understand something, they will try their best to ensure that I grasp that piece of knowledge whether it be by a diagram or an acronym etc. Another great thing about the school is that we have so many facilities so that we can excel in whatever we may want to do.

Year 7 student:

'At our school we have amazing facilities and most importantly, very supportive staff!'

'Students feel safe at BGLC'.

'We are rewarded for hard work'.

'We are listened to and supported by the teachers and staff'.

Extract of letter from staff member:

'I have had the most positive experience and have enjoyed every day of it. I have worked in schools for the last 10 years and have never worked anywhere like this. From day 1, I have felt part of something amazing and special....the school has such a positive atmosphere and nothing has been too much trouble for anyone. I am sad to leave, but now I have a great basis for my career ...although I think it will be hard to find a school as good! I wish you continued success and maybe one day we'll meet again!'

Faculty Information

The Brookvale Groby Learning Campus is looking for a Science teacher who wants to teach students aged 11-19. We have a spacious green campus on the edge of the village of Groby, with two school buildings close together, and students accessing the staff and facilities across both buildings.

The Science Department is housed within 4 specialist labs in the Brookvale building and 6 specialist labs in the Groby building, supported by 3 technicians. There is also access to computer suites in both buildings.

We place great emphasis on supporting all our staff to be the best they can be. For our teachers this means the professional support to be good or outstanding. All colleagues are expected to share good and outstanding practice and we have a strong team of outstanding teachers who coach and support others. This is a great place to work if you want to develop your teaching and learning expertise within a positive, friendly, caring environment.

Our students make excellent progress in science, but we are not complacent. We are always looking to improve student progress and enhance subject enthusiasm.

Teacher of Science 11-19 Full time from August 2022 (Part time will be considered)

Required for an August 2022 start, we are seeking to appoint an enthusiastic, committed, inspiring and well qualified teacher of Science across the 11-19 age range. All specialisms will be considered.

The Brookvale Groby Learning Campus has been through a period of significant change having converted to a multi academy trust in 2017 and a merger to an 11-19 school from September 2019. Our founding schools were Brookvale High School, an 'outstanding' 11-14 high school, and Groby Community College, a 14-19 upper school graded as 'good with outstanding features'. Now, as a united campus, we meet the educational needs of over 1500 students with over 300 of those enrolled in our Post 16 provisions.

Our Vision is "Valuing Everyone, Achieving Excellence", and we are committed to supporting the professional learning of all our staff. All members of the teaching team are expected to engage in deliberate practice to develop their teaching skills throughout the time they are employed on this campus.

The Science faculty forms a central place on our campus. Our students make excellent progress in science, but we are not complacent. We are always looking to improve student progress and enhance subject enthusiasm.

Both newly qualified and experienced teachers are encouraged to apply.

Visits to the campus are very welcome. For further details or to arrange a visit to the campus please contact Tracey Malsbury on 0116 2879921 or email tmalsbury@brookvalegroby.com.

Closing date: Monday 23 May at 9.00am

Interviews to be held within one week of the closing date

The Brookvale Groby Learning Campus are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. Applicants must be willing to undergo appropriate child protection screening, including checks with past employers and the Disclosure and Barring Service.
