Year 11	<ul style="list-style-type: none">● We just want to say a massive congratulations to our year 11 students who have started their GCSE exams this week. We are extremely proud of the way they have approached these exams. They have shown resilience and determination and embodied the campus motto of 'working hard, being kind'. Best wishes for all future GCSE exams and good luck to our year 13 students who start theirs next week.● During form time over recent weeks, the focus has been on ensuring students are preparing effectively for the summer exam period. We have been drawing inspiration from the PIXL Prepare to Perform initiative as students make their own revision pledge each week; a small change they will implement to make study gains. So far, we have looked at how to create an effective revision timetable, setting up a suitable revision environment, the importance of sleep and this week, we focused on the importance of nutrition. Take a look at this link provided for an insight and hopefully it can help you to support your children at home as exams begin.● Deadline extended to 19 June for orders Y11 Hoodies or Mugs - these will show as an offer on Weduc payments.
