16 June 2022

Dear Students, Parents and Carers,

We are excited to share with you our plans for **Monday 4th July 2022**. **Coventry University** have invited our Year 12 students onto their campus for the day for a personalised campus tour and taster sessions. **There is free travel and lunch included, so there are no costs for our students.** It is a fantastic addition to our Year 12 enrichment week in the final week of term.

We will leave Brookvale Groby Learning Campus at 9am, after registration, and we will be back at 3.10pm for the school buses.

There will not be any lessons at BGLC throughout the day, therefore, attendance to the trip is compulsory. If your child is unable to attend please report this absence in the usual way.

Here is the proposed campus visit schedule:

10:00-10:05	Walk to ECG.26 in the Engineering and Computing Building

13:00	Start UniTaster Day sessions

Health and Safety:

Jack Slater, Regional Recruitment Specialist at Coventry University, will be with us throughout the day. Having done many of these tours with schools before, he is highly experienced. However, if a student does stray from the group, they will ring Jack on 07974984735 and use the camera function on WhatsApp so that he can identify the surroundings during the call.

Jack will be sending a form to students; this will register their attendance, reserve a seat on the coach, book their preferred lunch with the chef and ensure any additional reasonable adjustment requests are made.

If you have any questions please email us post16@brookvalegroby.com

Thank you and kind regards
