Dear Parent/Carer,

**GCSE READINESS - INFORMATION EVENING FOR PARENTS/CARERS**  
**Thursday 8 September, 6.00 - 7.00pm**

As your child has now fully started their GCSE and BTEC courses, we would like to invite parents/carers to a presentation in the Brookvale Hall at 6.00pm on Thursday 8 September 2022.

Ms Hubbard, Deputy Headteacher and myself will be providing information to assist parents in supporting their child through the demands of the GCSE courses, as well as our expectations from students and ways we can support each child.

We look forward to meeting you next week, however, if you are unable to join us the resources shared will be available to view on our website after the event.

Yours sincerely

W Teece  
Headteacher
