## Year 7 History - Where the journey begins In year 7 you will learn

Term 3: British Empire Causes and Consequences

**Term 2: Invaders** - Saxons, Vikings and Normans

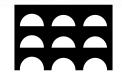

- Celts and Romans

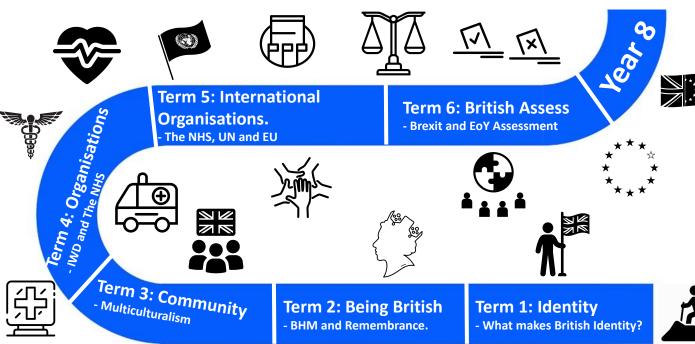

about how Britain went from being invaded to becoming the Invaders. There is also a local study about Richard III.

You will begin to learn skills such as describing and explaining. You will start to analyse sources and look at how useful they are.

You will have an understanding of second order historical skills such as cause and consequence and significance.

## Year 7 Citizenship - Where the journey begins

In year 7 you will learn about British identity and how we each fit into a bigger picture of being British.

Different aspects of
Britishness will be taught
throughout the year such
as key ideals, British
Values and key
organisations specific to
Britain.

This all connects to the History curriculum of studying Britain going from the invaded to the invaders and the birth of English and British Identity.
