

2 September 2022

Dear Parent / Carer,

Good afternoon and welcome to the first Parent Bulletin of 2022-23. We have been delighted to welcome our students back after the summer break. Our new Year 7's and Year 12's have settled in well and our returning students have made a great start to the new academic year.

The same as last year, we will be sending out important campus information relating to our students via our Weekly Parent Bulletin and we hope this assists in supporting your child and ensuring you are aware of the most important updates across the school. For particular events such as Progress Evenings, trips etc. you may also receive information in a separate email.

## Weekly Parent Bulletin

- Post 16 Campus Open Evening, 5 - 8pm

### Post 16

Firstly, a warm welcome to our Year 12 students, and welcome back to Year 13. It's been a fantastic week, and we have loved having a full common room again.

- Year 12: On Tuesday we have the Army coming into school for a team building day. If you haven't already completed the consent form [here](#), please do so before the end of the school day on Monday. As part of the day, the Army is bringing a 25 metre climbing wall, this activity is entirely optional, and if you would prefer your child not to participate they can decline on the day. Students should wear PE clothes and trainers for the day. I will be taking lots of pictures, and sharing them on social media!
- Year 12: Students have been set work to complete through registry day Google Classrooms. If students need access to the Classrooms they can find the links [here](#). These tasks will help to prepare students for the independent study required at post 16 level.
- Year 12 and 13: a reminder that the [dress code](#) can be found on our website as well as a copy of the [handbook](#).
- Supported study: all students in Post 16 will find a lesson of supported study each week. On Monday and Tuesday morning this will be in the Brookvale Library (BLIB) and on Wednesday, Thursday and Friday morning this will be in the Groby Canteen (GCA). This hour is time to sit and complete work under the supervision of a member of staff, to help students we have created a [guidance sheet](#).

We hope students have had a good first week back on campus and we look forward to the coming term.
