October 2022

Dear Parents/Carers of Y12 Psychology Students

Psychology Review and Textbook

As you know, your child has chosen to study Psychology at A Level.

As a campus we subscribe to the Psychology Review. These are quarterly printed magazines, with up to date articles published aimed at A Level students. Students can get these at a discounted cost of £15.50.

If you'd like to find out more about the magazine, please click here:

<https://www.hoddereducation.co.uk/subjects/psychology/products/16-18/psychology-review> If you wish to place an order through Arbor's School Shop (HUM Y12 Psychology Magazine) by **Friday 14th October**, and I will then order the magazines to be delivered to campus.

There is also a textbook to accompany the course, at the moment on Amazon it is available for around £26:

https://www.amazon.co.uk/Complete-Companions-Psychology-Student-Companion/dp/0198356102/ref=sr_1_1?keywords=eduqas+psychology+a+level&qid=1662922579&sprefix=eduqas+psy%2Caps%2C228&sr=8-1

I know that you can often pick these books up second hand from eBay, Amazon marketplace etc as well, in this instance the ISBN is 978-0198356103. This book is entirely optional, but may be useful at home for revision. We do have a class set of books available for lesson time, so please don't feel that this is essential for your child's studies.

I know that we are in financially difficult times, **so I want to assure you that neither of these items are essential for success at A Level. They are optional**, and if you decide not to purchase the books, students will have access to resources within lessons.

If you have any questions, please email me on epulling@brookvalegroby.com

Kind regards,

E Pulling
