25th October 2022

Dear Parents/Carers of Year 12 Sociology Students

Sociology Review, Revision Guide and Workbook

Your child has chosen to study Sociology at A Level and there are some resources which are entirely optional, but may be useful at home for revision, so please don't feel that this is essential for your child's studies.

There are exam skills workbooks to accompany the course, at the moment on Tutor2u it is available for £5.95. The **exam skills workbooks are tailored to each topic** we study and can be purchased alongside a **revision guide** that is available for £5.95. These are linked below for the year 12 topics.

Education with Methods in Context: [Workbook](#), [Revision guide`](#)

Families and households: [Workbook](#), [Revision guide](#)

As a campus we also subscribe to the **Sociology Review**. These are quarterly printed magazines, with up to date articles published aimed at A Level students. Students can get these at a discounted cost of £15.50. If you'd like to find out more about the magazine, please click here:

<https://www.hoddereducation.co.uk/subjects/sociology/products/16-18/sociology-review-magazine> and then you can place an order through Arbor by **Sunday 30th October**, and I will then be able to order the magazines to be delivered to campus.

I know that we are in financially difficult times, so I want to assure you that none of these items are essential for success at A Level. They are optional, and if you decide not to purchase any of them, students will have access to resources within lessons.

If you have any questions, please email me on epulling@brookvalegroby.com

Kind regards,

Ebony Pulling
Assistant Faculty Leader of Humanities (Social Sciences)
