

# How to succeed in BTEC Level 2 Tech Award in Health and Social Care

The best chance of success in all subjects is:

- an excellent punctuality and attendance to lessons
- a positive attitude to learning
- high aspirations, resilience and a determination to achieve
- a commitment to independent study (homework and revision)

In Health and Social Care we provide the following support to ensure that all students make the best possible progress:

	<b>Component 1</b>	<b>Component 2 Learning Aim A</b>
<b>Info about the Component</b>	This is the first unit to be completed in Health and Social Care. This component is internally assessed (coursework). This component consists of four tasks that will be completed in exam conditions. Component 1 equates to 30% of the final grade.	Once component 1 is complete there is another internal assessment (coursework). In combination with Component 2 Learning Aim B, this accounts for 30% of the final grade.
<b>Knowledge organisers</b>	<a href="#">Component 1</a> (Learning Aim A) <a href="#">Component 1</a> (Learning Aim B)	<a href="#">Component 2</a> (Learning Aim A)
<b>PLC</b>	<a href="#">PLC Component 1</a>	<a href="#">PLC component 2 learning aim A</a>
<b>Homework</b>	We recommend students create flashcards, use the knowledge organisers, and complete practice questions from the revision guide.	We encourage students to stay up to date with their coursework. Every minute during the lesson counts! We will set smaller tasks to complete at home to support in-class learning.
<b>Revision material</b>	As this is a coursework unit, there is no specific revision required.  However, students are able to purchase the optional workbook through <a href="#">Amazon</a> to support home learning.	As this is a coursework unit, there is no specific revision required.
<b>Websites</b>	Website links will be shared with students through the Google Classroom. There aren't any specific websites for the coursework.	
<b>Google Classroom</b>	Teachers will set homework through the Google Classroom. Students will have access to all Google Slides, worksheets, videos etc.	

If there are any subject concerns please contact the class teacher early so that we can support. By working closely together we can make sure students make the best possible progress.
