Weekly Parent Bulletin

	Arbor/Activities from 6pm tonight.
Year 8	<ul style="list-style-type: none">● Iceland trip A polite reminder to those that have not paid instalment 6, this is due by Saturday 31 January 2023 and is available in the Arbor School shop. Thank you.
Years 7,8 & 9	<ul style="list-style-type: none">● Vaccinations - The NHS Immunisations Team will be in school delivering the Flu Vaccine for students in years 7, 8 and 9 on Wednesday 11th January 2023. Please click here for the letter which contains details of the vaccine and how to give or decline consent. <u>This is an NHS form and will close the day before the vaccines are given.</u> Contact details for the NHS Community Immunisations team are also on the letter.
Year 10	<ul style="list-style-type: none">● Our Year 10 students recently sat their first GCSE paper and were able to experience what a paper looks like and see the type of challenge ahead over the next 18 months. Following on from this, all students should by now have received a QLA sheet detailing each question, and how the student fared. After a key assessment point, we set a Faculty homework for all groups to get 5 tasks done on Hegarty Maths based on some of the topics highlighted in yellow or red. Teachers will be checking this is done either during this week or the first week back depending on when it was set. This follow up is so important to help the students progress going forward. Have a Merry Christmas and Happy New Year, Mr Kilduff
Year 11	<ul style="list-style-type: none">● Congratulations on getting through your recent mocks. By now, everyone should have made a good start on your 10 Hegarty tasks from your QLAs. After Christmas, past paper practice will be starting for all groups during the first half term. This is a two week cycle of Paper one week and 5 Hegarty tasks the next. This is a process that is almost guaranteed to improve your grade in the lead up to exams. If you don't do the papers, you won't improve at all. If you don't do the Hegarty, you won't improve the topics you can't do yet! Good luck for the next few months. They are stressful if you do them right, but you will hopefully have all the support you need in school and at home. Have a Merry Christmas and Happy New Year, Mr Kilduff
Year 13	<ul style="list-style-type: none">● Year 13 Progress Evening Thursday 5th January - Video Call Appointments For those who haven't already booked, appointments can still be made for - click here for more details. Bookings close 11pm on 03/01/23.
