What are we learning this term?

Topic: Free time. Students will be learning how to describe their hobbies, when they do them, where and with whom. They will learn how to give extended opinions about them and talk about past hobbies and future events.

Independent Learning - Homework

Students are expected to be taking control of their own learning by this stage. They should have routines in place for completing regular and timely homework.

Each week students are expected to:

- * Learn their Knowledge Organiser spellings for their test
- * Complete the reading/listening tasks set on the Google Classroom

Alongside this they are also expected work on:

- * GCSE Speaking booklet – preparing answers for the topics we have studied
- * Revise the Universals document with the key language (tested 3 times per year)

Key Dates:

Week beginning 6th February 2023 – Writing Assessment (all languages)

Week Beginning 13th February 2023 – Germany trip
