What are we learning this term?

Topic: Health, Social issues and Environment. Students will be learning how to describe their health as well as issues such as homelessness, unemployment and environmental problems.

This is the last topic of the GCSE course and the level of complexity is increasing as we head towards exam preparation.

Key Documents and Links

All KO's, links and homework documents are posted onto the Google Classroom but here are some quick links if you would also like to find them.

French	German	Spanish
The tests are based on the following Knowledge Organiser	The tests are based on the following Knowledge Organiser	The tests are based on the following Knowledge Organiser
Students can also use their Quizlet Classroom (link on Google Classroom) to help practise for the weekly quizzes.		

Key Dates:

Week beginning 13th February 2023 – Writing Assessment (all languages)

Independent Learning - Homework

Students will be working on their exam revision by now. They should all have revision timetables that lead up to the exams.

Students received their mock results at the start of the term and have PLC (personal learning checklist) documents which have targets and resources to help them improve in the areas they need. These were completed in lessons but are available from home.

Regular homework includes:

- * Learning Knowledge Organiser spellings
- * Completing reading/listening tasks set on the Google Classroom
- * GCSE Speaking booklet – preparing answers for the topics and improving answers already written
- * Exam preparation using revision guides, workbooks and resources set by teachers.
