18 January 2023

Dear Parent/Carer,

Your child has been chosen to take part in the Pixl Change programme that I am running with Year 9 students. It has been identified from the last report that although they are putting lots of effort, they are not making the progress in every subject they maybe should be.

I will be working with them to support and give strategies to make better progress. We meet either Monday or Thursday tutor time and they will also be supported by a Year 12 mentor who has been trained on the Pixl Change programme. This is a really exciting opportunity and the students who have received it already have been really positive about it. I myself am mentored on the programme so I know the benefits.

If you have any questions or would like to discuss any issues you think may be contributing to the progress please contact me on [dgajjar@brookvalegroby.com](mailto:dgajjar@brookvalegroby.com). Please note emails sent after 4pm or weekends will be attended to the next school day.

Kind regards

Ms Gajjar  
Assistant Faculty Lead Science (KS3),  
KS3 Progress Leader,  
Pixl Making Change Leader (MCL)
