

26 January 2023

Dear Parent/Carer,

YEAR 11 EXAM SUCCESS EVENING

In preparation for the forthcoming Year 11 GCSE exams we are hosting an Exam Success Evening in the Brookvale Hall for our Year 11 students and their parents/carers on **Thursday 9th February 2023 from 5.30pm until 7.00pm.**

The evening is focused around 'Achieving Exam Success Together' by providing a key focus presentation followed by a carousel of three 15 minute core subject sessions as below:

1. Supporting your child to reach their potential in Maths

In this session we will be looking at ways to support students in preparation for their maths exams. We will go through useful websites and resources; the past paper homework schedule; how pupils can make the most of their question level analysis; and exam tips so that they can maximise their marks in the maths exams.

2. Supporting your child to reach their potential in English

The English session will focus on taking you through the two language papers and the two literature papers so you are aware of what your child will be facing in the summer and the importance of careful reading of the questions and timings.

3. Supporting your child to reach their potential in Science

In this session we will be looking at ways to support students in preparation for the science exams; where to find revision resources, how to improve outcomes on the tricky 6-mark questions and finally we will be exploring common misconceptions in GCSE Science.

The SEN department will also be available if you would like to discuss exam support for your child with them.

If you would like to attend this evening, **please complete the Google Form link below by Thursday 2nd February 2023.**

Refreshments will be available on the evening and the hall will be open from 5.00pm for a prompt start at 5.30pm. We look forward to seeing you.

Yours sincerely

Taz Johal
Assistant Headteacher
