On **Wednesday 6th September** I am excited to announce that we have the Army coming onto campus to do some team building activities with our students in Year 12. We want all students to be involved, helping to form relationships with one another.

This is some of the information I have been provided with:

- The Outreach Team will consist of up to 6 Soldiers.
- SECURITY – It should be accepted that the Army always gives security the highest priority and will make appropriate arrangements with local police prior to the event if necessary.
- HEALTH AND SAFETY - A Health and Safety Risk Assessment will be carried out for each of the activities taking place.

- Capita holds Public Liability and Employers Liability insurance for this Outreach event and certificates are available on request.
- To ensure this Outreach event is a success Chaperones and Teachers need to be aware that they are responsible for the behaviour of their students and that the Outreach Team are there to deliver an exciting and different range of activities in order to promote personal development and not manage poor behaviour.
- Sexism, racism, bullying or other forms of inappropriate behaviour towards either the Outreach Team or other students is not acceptable. Behaviour of this type should be addressed immediately by Teachers or Chaperones. The senior ranking Soldier may exercise their discretion and cut the event short should they consider behaviour to be unacceptable.

You can find out a little more about the day here:

We will be sending a link for you to sign up to Arbor if you haven't already registered. Having an Arbor account for your child allows you to make payments for trips, catering, give consent and look at your child's attendance, progress reports etc.

Kind regards
