A warm welcome back to year 8 and 9. I hope you are ready for another packed term.

A big welcome to year 7, I hope you settle in, remember your wonderful tutors, teachers and HOY are there to support.

A quick introduction from me. My name is Ms Gajjar and I am progress leader for KS3. Students will see me lead an assembly once a half term and I will oversee progress in KS3..

My responsibility is to oversee progress, support all students to have better awareness of study skills and revision strategies. For year 9 I will support students who need a boost in progress.

I will also oversee HPA (Higher Prior Achievers) for KS3

**How year 8 & 9 will be supported over the next term.**

Assemblies will focus how to engage more in lesson and not fearing failure. We will also look at aspirations and the use of UNI frog to explore careers and courses as well as how to upskill.

There will be a progress group would will meet me weekly to complete the Pixl Level best mentoring program. They will be mentored by myself and y12 students. We will look at barriers to learning and how to better organise themselves.

We will also be welcoming back Leicester University to run study skills and introduction to Higher Education sessions.

HPA year 9 will be focussing on problem solving skills and will compete in the BEBRAS competition in November. Watch this space, we have done very well in the last 2 years.

If you have any questions my email address is [dgajjar@brookevalegroby.com](mailto:dgajjar@brookevalegroby.com)

We are delighted to welcome Years 10 and 11 back on campus for what is going to be a hugely important year with us on campus.

My name is Mr Brownett and I am Key Stage 4 Progress Leader. I am really looking forward to working with both Year 10 and 11 throughout this academic year, helping students to maximise their potential. Alongside the other members of the team, I will oversee progress and support all students with their development of revision strategies, study skills and resilience/motivation levels. I will also oversee HPA (Higher Prior Achievers) for KS4.

We have already got lots of exciting plans to support both year groups over the next 12 months. **Here are some important dates for your diary:**

**Humanutopia Day-** Tuesday 19th September 2023 - Whole Y11 cohort intervention focusing on qualities needed for success

**Post-16 Open Evening-** Thursday 12th October 2023 - An opportunity to explore the options on offer at BGLC.

**Exam Success Evening-** Thursday 8th February 2024 - Parents and students invited to outline how to have exam success across the range of subjects.

First of all, a warm welcome to our new and returning students into our BGLC Post 16. I hope you get settled into your new environment quickly and you jump into good routines.

A short introduction from myself. My name is Stephen Taylor-Fox and I am the newly appointed Progress Leader for KS5 students. I will be working alongside the Post 16 team, tutors and teachers and will be on hand to support you with your emerging learning needs during your time in our Sixth Form, whether that be short or long term. This may include support with revision techniques, becoming better organised with independent study skills or simply working with you to boost your progress in a particular area.

I will also be responsible for working closely with HPA students (students who achieved highly in their GCSEs) and those considering career paths that require Early Entry to universities. I will be sending information out that will help you understand what is needed from you in order to be successful in this process.

There will be lots of information and dates for your diary and we will keep you informed across the year; here are just a few for you to be aware of:

**Thursday 21st September 2023 - Y12 Tutor Evening** - A chance for tutors and parents to meet and introduce themselves, discuss the Post 16 journey and share important information.

**Thursday 1st February 2024 - Y13 Progress Evening**

**Thursday 11th April 2024 - Y12 Progress Evening**
