Winter wonderland

One happy jolly Christmas, Santa went mental,
He ate all the food and gave no presents.
He was so fat that even the reindeer could not fly,
So, he had to walk there, but when he tried to go up the hill,
He bounced back to the bottom.
Santa went on the treadmill to work out,
He became strong and finally walked home,
Now he eats the carrots, and the reindeer eats minced pies.
His elves could not make toys because they did not have a boss,
The next Christmas was not good at all because of Santa.

This has all been shared by email.
- **Lost Property** - Over the term we have acquired a large number of lost property items. Each week, new unclaimed items have been shared. Regrettably any unclaimed items will be recycled or donated.
