

2nd February 2024

Dear Parents/Carers

UCAS Discovery East Midland Exhibition – Lincoln University – 6th June 2024

We are delighted to announce we will be taking our Year 12 students to the **UCAS Discovery East Midlands Exhibition** at Lincoln University on Thursday 6th June 2024. This is an excellent event which we have taken our students to annually and gives them a great opportunity to discover what is on offer for Post 18 and collect some information and talk to current students and representatives of universities they may be interested in.

We feel that this visit is an essential part of our Higher Education programme and is extremely valuable for Year 12 students considering their options at Post 18. There will be representatives from all UK & Ireland Universities present alongside Higher Apprenticeship providers and colleges. This is a great way for our students to start off their Post 18 research and we strongly encourage all students to participate and attend this event. Further information on the event can be found [here](#), and we have already secured our school slot for the event.

We have booked a coach large enough to take the entire year group, as this is such an important event. We will be travelling by coach, departing from the campus at 9.15am and returning at approx 2pm. We suggest students take a packed lunch and a drink, we may be back for lunchtime at school but this cannot be guaranteed. It is also handy if they take a bag to carry all of the prospectuses and information they have collected from the universities.

There will be a charge for transportation to and from the event of £15.00. To request a place, give you consent and to make the associated payment please look in Arbor/ Activities/ Trips. The deadline to give consent and for payment is **Thursday 29th February 2024**.

Students in receipt of the bursary may have their trip funded and the cost will be appropriately adjusted for the individual students this applies to. Permission to attend will still be needed through Arbor/ Activities/ Trips. For queries about bursary please email jgolding@brookvalegroby.com

Yours sincerely

Michelle Cheadle
